1. 50mm or less (5/8" to 2")	\$150.00
2. Larger than 50mm	\$250.00

**Construction
Description:**

Conditions

1. All work is to meet the City of Wetaskiwin design standards. Failure to have work inspected will result in the removal of backfill material at the cost of the builder to allow inspector access to work in question.
2. A Construction Completion Inspection will be required prior to the start of any warranty period.
3. A two-year warranty is to be given to any work and repair beginning on the date of Construction Completion Inspection.
4. The city standards for traffic control must be met.
5. Occupational Health and Safety standards must be met (vests, excavation side slopes, etc.).
6. Any excavation on roadways must be backfilled to grade the same day (unless authorization is gained from the Public Works Superintendent) and cold mix must be placed in the hole within 48 hours. Hot mix must be placed in hole by October 31 of the same year.
7. Curb/gutter and sidewalk must be returned to a safe condition the same day. A temporary cold mix patch may be used to bring the sidewalk to this condition, with permanent repairs being completed within 30 days.
8. Inspection by City Utilities Staff is mandatory for all Utilities – bedded in sand, all joints and connections exposed
 Note: inspections outside of normal working hours (8:00 AM to 5:00 PM, Mon – Fri) will be subject to a fee of \$50.00.
9. Street must be returned to clean condition prior to opening road to public. Street abutting construction site must be kept clean at all times.

I, _____, acknowledge that I have received, read and understand all of the above, and I further acknowledge my commitment to the conditions stated in this form.

Date _____ Applicant's Signature _____

To be filled by city representative
