YOUR BIG, OLD TOILET IS COSTING YOU A FORTUNE!

A toilet can waste thousands of liters of water every year and with it flushing your money down the drain. New, high efficiency toilets with proven technology can do the same with less, saving up to 2/3 with every flush.

The Toilet Replacement Program is giving Wetaskiwin citizens an opportunity for replacing old toilets with a new water saving toilet.

WHY SWITCH?

- Utility bill credit
- Save money on water bills
- Preserve the environment
- Water conservation

QUALIFICATIONS

Eligibility Requirements:

- City of Wetaskiwin water customer
- Account in good standing
- Have a 13L or greater toilet to replace (maximum of 4 toilets per household per year)

NOTE: Utility bill credits are processed on a first come first served basis. No retroactive applications will be accepted. A maximum of 4 utility bill credits (one per year) per municipal address will be applied to accounts.

THE PROCESS

Please send in:

- Original sales receipt (keep a copy for your records)
- Completed application form
