

Pamela Ganske Resigns from Wetaskiwin City Council

FOR IMMEDIATE RELEASE

June 24, 2019

(Wetaskiwin, Alberta) – Wetaskiwin City Council officially received notice at their regular June 24, 2019 Council meeting that Pamela Ganske resigned from her position as councillor—effective that morning—citing personal reasons.

There will now be two openings for municipal councillors in the upcoming by-election which is now scheduled to take place September 11, 2019. The City recently received permission from the Minister of Municipal Affairs to extend the 90-day deadline to hold an election—as dictated by the Municipal Government Act—until September 2019.

“I would like to thank Pamela Ganske for all of her hard work as a councillor and for being an incredible ambassador for our community,” said Mayor Tyler Gandam. “I know that we will still work together to make Wetaskiwin a great place to live.”

Wetaskiwin City Council will continue to function effectively with no gaps in representation given that Wetaskiwin councillors are elected at-large.

More information on the by-election will be published at www.wetaskiwin.ca as it becomes available.
