

Wetaskiwin City Council Announces New City Manager

For immediate release
March 25, 2020

(Wetaskiwin, Alberta) - Wetaskiwin City Council has hired Sue Howard to fill the role of city manager, effective March 25, 2020.

Howard has been with the City of Wetaskiwin since 2016, most recently in the position of Director of Municipal Services—though she had also previously spent six months in the role of Acting CAO for the organization.

“Council went through an extensive search process with a third-party consultant that attracted candidates from across the province and western Canada,” said Mayor Tyler Gandam. “We are thrilled to announce Sue Howard as the new City Manager for the City of Wetaskiwin. Her familiarity with the community, strong leadership skills, and her ability to empower others will help carry our organization forward.”

Council also thanks and recognizes Robert Osmond, Director of Corporate Support for the City of Wetaskiwin, for his admirable leadership as Acting CAO throughout this lengthy hiring process.
