PRESS RELEASE

Spring/Summer Parade of Programs will continue in digital format for 2021

February 18, 2021

(Wetaskiwin, Alberta) – Due to the remaining uncertainty of how the COVID-19 pandemic will affect program attendance, the Wetaskiwin Regional Parade of Programs will continue to be available in an on-going, online format through a dedicated Facebook Page.

Anyone within the Wetaskiwin region offering educational, recreational, or personal wellness programs are invited to post them on the [Wetaskiwin & Area Parade of Programs Facebook page](#). It will be the responsibility of each person or organization posting to moderate their own content and respond to enquiries about their program offerings.

“COVID-19 has presented many challenges for individuals and organizations alike,” said Natasha Grant, Manager of Recreation for the City of Wetaskiwin. “Although the Spring/Summer 2021 program guide will remain in an online format, we are hopeful and looking forward to offering a printed program guide for Fall/Winter 2021/22 and resuming our bi-annual Parade of Programs event when it’s safe to gather again.”

Traditionally, the bi-annual publication of the Wetaskiwin & Area Program Guide is timed to coincide with the Parade of Programs event held at the Drill Hall in the Spring and Fall each year. The Program Guide is a non-commercial publication that advertises educational, recreational, and personal wellness programs in Wetaskiwin and surrounding areas.

If your group or organization will be running a program in the City of Wetaskiwin, County of Wetaskiwin, Maskwacis, or the Town of Millet that fits within the mandate and spirit of the Parade of Programs, visit facebook.com/paradeofprograms for more information and to submit a post.
