

PICTURE WETASKIWIN PROJECT

How do you picture Wetaskiwin in the future? We want to know.

Be a part of our “Picture Wetaskiwin Project” in the creation of a community vision mural that imagines what Wetaskiwin could be. Individual tiles will be combined to create a collaborative, diverse and colorful mural, used as an artifact for the City of Wetaskiwin’s 50-year vision.

HOW:

- Express your ideas on a project tile in whatever way you choose using paint or sharpie markers – use your imagination!
- Please do not use offensive or derogatory language or images
- Sign your name on the back of the tile
- Drop your tile off at City Hall or the Manluk Centre by no later than November 30th
- Share your tile creations on your social media channels and tag #Wetaskiwin2070

WHY:

Your ideas will become the building blocks of our future and artefacts for archival value in our history

WHEN:

We will host a community unveiling for our collective vision mural at the end of the Community Visioning process

EXAMPLE:

Thank you for helping us envision the future of Wetaskiwin!
