Competitions are encouraged for everyone enrolled in a Competitive Squad. Swimmers are responsible for their own behavior at competitions. The coaches will be on deck observing races and giving feedback to each swimmer. Swimmers **must** have a parent/guardian at the competition. The Orcas take pride in respecting other facilities and swimmers; sportsmanship and fair behavior are mandatory for all athletes attending a competition.

## Recreational Squads and Competitions

Swimmers in the Recreational Squads are eligible to compete at our home swim meet if they wish. They will first need to participate in the Jellybean meet which will be held before the Wetaskiwin competition. The swimmer will be evaluated and must be approved for competition by the Head Coach. In order for swimmers to compete they will have to be registered with the Lifesaving Society. As soon as this process has been completed your child will be able to compete at our home swim meet.

### Volunteer Commitment (Competitive Squads only)

Everyone registered in a competitive squad will automatically have a \$200.00 volunteer invoice generated for their family at the beginning of the season. You may choose to pay this invoice right away if you cannot or do not wish to volunteer during the season. There are a few opportunities to fulfill this requirement throughout the season, but the most important and largest commitment is our home swim meet in January of each year. Running a successful swim meet requires many volunteers. When you volunteer, the volunteer invoice will be satisfied and will no longer be owing on your account. If by the end of the season, you have not fulfilled your volunteer commitment, the invoice will remain owing and will need to be paid to clear your account. This is a mandatory requirement for each family involved in a Competitive squad.

### Discipline Policy

Members are expected to follow all facility rules. Safety is our first priority, any behavior that compromises safety of the swimmer or other patrons in the pool will not be tolerated. Our discipline policy is that of the Manluk Aquatic Centre and the City of Wetaskiwin. If behavior is an issue our coaching team will inform the member, why this behavior is unacceptable. Parent will be contacted depending on the severity of the issue and based on the Head Coaches discretion. Further disciplinary action may be taken if behavior does not improve, this could include but is not limited to the member being asked to leave the club without a credit/refund being granted.

### Lockers

Lockers are available at no charge for day-use only. Please bring your own lock and be sure to lock up all your belongings.

### Water and Snacks

Hydration is very important for every athlete. We require everyone to bring a water bottle (labeled with their name) to practice and competitions. We also suggest members have a healthy snack between school and practice.

### Orca Apparel Policy

Members are encouraged to wear their Orca t-shirts to all club functions. These include competitions, team meals, team photos, and any special events.

Team suits are not mandatory during competitions as we recognize many swimmers prefer to purchase their own competition suits (tech suits, fast skins etc) A swimmers Competition suit must be at least 80% black or approved by the Head Coach for use in sanctioned competitions.

A current team Swim Cap is necessary for all swimmers competing at a sanctioned competition, as outlined in the Alberta and Northwest Territories Competition Manual. Therefore, swim caps (not necessarily a team cap) are mandatory for all swimmers during scheduled practices.

Team Suits, Silicone Swim Caps, and Latex Swim Caps are available for purchase at the front desk of the Manluk Centre. (please inform the Head Coach of any allergies to latex)

Periodically throughout the season we will have online stores available to purchase merchandise such as Team Clothing and Provincial Merchandise. Information will be sent via email and the Orca Facebook page when these options become available. Team Suits and Swim Caps are only available for purchase through the front desk of the Manluk Centre.

### Pool Nationals, Surf Nationals and Rescue 2021-2022

The minimum age requirement for Nationals is currently 15 years of age. To register for these events swimmers should plan to attend all competitions including provincials. WOLC athletes who meet the age requirement and have achieved the time requirements can work towards competing in these events.

*Practices can continue past the regular Orca season for those working towards these events. Please talk to the City of Wetaskiwin Recreation Administration or the Head Coach for additional practice information. Cost will be dependent on the practice schedule set by the Head Coach.*

For the specific dates of these events please contact the Head Coach.

These opportunities will require a great deal of commitment not only from the athlete, but their family as well. Attending these advanced competitions will incur additional costs for competition, travel, and accommodation fees. These fees are the responsibility of the family and not the responsibility of the Wetaskiwin Orcas or the Lifesaving Society.
