## Alberta RCMP - Municipal Policing Report

### Detachment Information

**Detachment Name**

**Detachment Commander**

Insp. John Spaans

**Report Date**

October 25, 2024

**Fiscal Year**

2025-26

**Quarter**

Q2 (July - September)

### Community Priorities

**Priority #1: Community Engagement****Updates and Comments:**

Over the past quarter, the RCMP have been actively involved in community events across the City and greater detachment area. The Community Policing officers engaged in events such as Welcome Week, Heritage Days, various rural Town Hall events and return to the school year.

The RCMP continues to be a key partner in the Community Safety and Wellbeing Strategy. This quarter, the detachment, along with K Division and FCSS built upon the success of the Pop-Up Navigation Centre and presented to communities across the province about how this initiative could see benefits beyond Wetaskiwin.

**Priority #2: Crime Reduction****Updates and Comments:**

The Crime reduction Unit has made a significant impact on the trafficking of illegal drugs in the community, particularly fentanyl. Since January, the CRU has seized nearly one kilogram of fentanyl through joint investigations with Edmonton Police Service, ALERT and other RCMP detachment. These seizures have reduced harm in the community and have contributed to the overall reduction in crime across the detachment area.

Theft and social disorder offences continue to be crime drivers in the City and surrounding areas. The CRU and frontline officers continue to work with the Hope Mission and area businesses to reduce victimization. Suppression initiatives, encampment teardowns and business walk-throughs have

contributed to positive results in this field.

## Priority #3: Community Safety

### Updates and Comments:

The detachment continues to be a key partner in the Community Safety and Wellbeing Strategy. The Youth Safety Council is set to resume once the school year stabilizes. This initiative will continue to provide a platform for the youth to contribute to making Wetaskiwin a safer community.

In recent months, there has been an increased focus on traffic enforcement to deter impaired drivers and to ensure safe vehicles are on community roadways. While there has been vocal opposition to the increased presence on roadways, the results will invariably make the area safer.

Throughout this reporting period, the detachment conducted routine patrols through the Summer Villages of Pigeon Lake through the enhanced policing agreement. This included engaging with the community, conducting enforcement initiatives and patrolling on the lake.

## Priority #4: Employee Wellness

### Updates and Comments:

Development, education and health are keys elements of the employee wellness priority. Over the course of this reporting period in-house training touched on safety at electrical sites, undercover operations and financial management. Officers were also outfitted with sportswear that will contribute to stronger backs and legs, particularly while standing or working long hours.

Dear Mayor Branco,

Please find attached the quarterly Community Policing Report covering the period from July 1<sup>st</sup> to September 30<sup>th</sup>, 2025. This report provides a snapshot of human resources, financial data, and crime statistics for the Wetaskiwin Detachment.

In the past few months, Alberta RCMP has observed significant changes to our senior management team that I want to highlight in this quarter's update. In addition to our new Commanding Officer, Deputy Commissioner Trevor Daroux, we are pleased to welcome a new Criminal Operations Officer, Assistant Commissioner Wayne Nichols. Since entering his new role, the Commanding Officer and other members of the senior management team have been taking time to meet with community and elected officials throughout the province. The team is also looking forward to meeting with representatives from several communities during the upcoming meetings at Alberta Municipalities and Rural Municipalities of Alberta convention this November.

Deputy Commissioner Daroux is focused on prioritizing meeting opportunities between the senior management team and all communities that we serve. These meetings serve as an opportunity to further strengthen our relationship and allow us the chance to listen to the needs and concerns of our communities. If you are interested in meeting with our senior management team, please do not hesitate to reach out so that we can coordinate a time that is convenient for you.

Thank you for your ongoing support and engagement. As your Chief of Police for your community, please do not hesitate to contact me with any other questions or concerns.
