

Clarification on Potential Data Centre Development

Thursday, March 26, 2026 (Wetaskiwin, Alberta) — The City of Wetaskiwin welcomes interest from companies looking to invest in our community. We are aware of the preliminary discussions regarding a potential development involving a data centre, renewable energy, and greenhouse operations. At this time, no formal application has been submitted to the City, and any project of this nature would need to go through established regulatory and municipal approval processes. The City remains committed to transparent, responsible economic development and will keep our community informed through official City channels as things progress.

About the City of Wetaskiwin

Wetaskiwin is a secure, connected, and inclusive community, home to a diverse population of approximately 13,400 people. Located only 30 minutes south of Edmonton International Airport, the City of Wetaskiwin provides a high quality of life through ample recreation opportunities, diverse cultural activities, and a modernized, business-friendly downtown.

Residents are encouraged to share their thoughts on the levels of service provided by the City by reaching out directly to council. Contact information for Mayor and Council is available at wetaskiwn.ca/council.
