Our check in and check out policy indicates that all parents will be contacted in the event of an unexplained absence for those children checking themselves in and out.

Camper Ages

Campers must meet the listed age requirements for the camp at the start of the program, unless otherwise stated. Please contact the Recreation Program Facilitator for exceptions on a case-by-case basis.

Camp Hours

Drop off for camp is from 8:00 - 9:00 AM and pick up is from 4:00 - 5:00 PM.

If you arrive late or want to pick up early, please give our camp staff a heads up so we can discuss our daily plans. If the camp is not in the Multipurpose room, a note will be left on the door to inform parents of where we have gone.

Late Pick-up

Please ensure your child is picked up and signed out of camp no later than 5:00 PM.

- Chronic late pick-ups may result in removal from the program.

Camp Ratios

Camp Ratio: One staff member to every 8 campers.

- Camp groups have a maximum of 25 campers and will be staffed by at least 3 leaders.

Swimming Ratios:

- Campers under 8 will be accompanied in the water by a leader (1 leader to every 3 swimmers).
- Campers 8 and older will swim independently in the pool under lifeguard supervision.

Check In and Check Out Policy

We are committed to providing a safe camp environment for your child(ren). To support this, a check-in and check-out procedure is in place to ensure participants are either signed in and out by an authorized adult or are safely doing so independently, as permitted.

If someone other than the parent/guardian present at check-in will be picking up your child(ren), a permission form must be completed in advance, specifying who is authorized for pick-up.

Children aged 9 and older may check themselves in and out only after:

- A parent/guardian has signed the camp waiver,
- All required paperwork has been completed, and
- A sign-in/out permission form has been submitted outlining the specific days, times, and emergency contact information in case the camper does not arrive or leave as expected.

Camp Lost & Found

Help limit our lost and found items by labelling your child(ren)'s items with their first and last name so we can give you a call when we find something. All lost and found items will be donated two weeks after the last day of camp.

Before Camp

To help ensure campers have a positive experience at camp, we encourage parents to use the information in this handbook. Consider involving child(ren) in getting ready for camp (packing lunch, picking clothes, bringing a picture in their backpack). Talk to your child on what they can expect from drop off to what might happen in a day to what time you will be there to pick them up. Ask your child if there is anything they are nervous about and come up with strategies ahead of time.

Be sure to notify camp staff of strategies so that we can ensure everyone has a successful time!

A DAY AT CAMP

We ensure that all locations are vetted for safety prior to booking, we cover field trip specific safety protocols with our staff. These trips require us to usually take a bus or to walk to and from the location. A part of registering and signing the waiver means that parents understand and acknowledge all safety concerns involved in an offsite field trip.

If your child(ren) requires an aide at school, they must also attend camp with an aide.

Our goal is to provide a safe and positive experience for all. While we strive to support every child, individual needs will be reviewed to ensure we can maintain a safe and supportive environment for everyone.

Behaviour Management & Child Discipline Policy

While we respect and recognize the individual differences in each child, we expect them to take direction and get along in a cooperative manner. We have a three strike policy at camp that we discuss with the campers. Any bullying or physical violence is an automatic third strike and the child will be sent home.

We reserve the right to withdraw a child when the safety of the child, other children, or our staff is considered to be threatened, this will be at the discretion of the Program Facilitator or Recreation Supervisor.

- Strike ONE - Warning Given
 - If a child misbehaves, we take the time to explain what the problem is with their behaviour and guide them verbally through what we expect from them. We give them the opportunity to express their thoughts and feelings. In most cases, minor problems can be solved with a talk & a combined effort to work out a solution.
- Strike TWO - Sit out
 - If their behaviour does not improve, they may be separated from the group to calm their feelings, think about their actions, and collaborate with a leader figure out a solution. They are once again given our expectations and are encouraged to express their feelings with a leader. They are reminded that this is their second strike and if their behaviour continues that they may be sent home.
- Strike THREE - Sent Home
 - The behaviour continues after two interventions. We contact the parent/guardian and remove the child from the group. Any bullying or physical violence is an automatic third strike and the child will be sent home.

No credits or refund will be given to any camper who has been removed from camp due to inappropriate, dangerous, or strike 3 behaviors.

Siblings will not be given allowances to physically touch others, play fight, or act as though they would at home. At camp all campers are campers and have the same rules and expectations.
